The Meme

In the beginning was The Meme

The Meme was with God

The Meme was God

He was in the beginning with God

All thing came into being through The Meme

Apart from The Meme, nothing came into being that has come into being

In The Meme was Life

The Life was the Light of men

A Light that shines in the darkness

The darkness cannot overcome it

This is true Light that enlightens everyone

The Meme was in the world

The world was made through The Meme

But the world does not understand The Meme

The Meme came to His own people

They did not embrace The Meme

But to anyone who did embrace Him

To them He gave the right to be adopted by God

Even to those who believed in Him

The Meme became human and lived with us

We saw His glory, the glory of the Son of God

a glory saturated in grace and truth

From His abundance we all receive never-ending, overflowing grace

The standard we received from The Law

Grace and truth have come through The Meme
